Miller Checks New Stadium Seats

New bleachers on the visitor's side of the Elba High football field are fast becoming a reality. The school is footing the bill but are getting working help from the city and county officials. Leroy Miller is shown in the foreground on one of his regular trips to check on the project. Miller spearheaded the drive to construct the home side bleachers and everyone naturally turned to him when this project was just in the talking stages.

School Days Are Here Again

THE FRONT DOOR OF ELBA HIGH SCHOOL BOASTS A FAMILIAR SIGHT NOW AS STUDENTS RETURN TO SCHOOL. GONE ARE THE HAPPY DAYS OF SUMMER — AND NOW TO THE SERIOUS JOB OF BOOKS — ??

Stump Named Elba Band Director

Robert Stump is new Band Director for the Elba Tiger Band. The decision was made at a special meeting of the school board last Monday night, according to Elmer Taylor, superintendent of Elba City Schools.

Taylor also said the board is looking for a new Assistant Director to replace Stump who was serving in that capacity.

Cornelia Day Plans Released

Cornelia Wallace, wife of Governor George Wallace, will be specially honored in Elba on September 12, 1975. City officials, women's and men's clubs and local citizens are combining efforts to recognize Alabama's first lady.

The day's activities are to include a platform program on the west side of the square at 10:30 a.m. with prayer by Rev. Robert Davis, welcome by Mayor Sam Sawyer and Probate Judge James Sawyer. Master of Ceremonies will be Judge Ernie Paul. Music is to be furnished by the Elba High School Band and 35 members of the 8th Army Band from Ft. Rucker.

Speakers will include Gov. and Mrs. Wallace and Mrs. Bob Folsom. Mrs. Wallace's mother, Mrs. Ruby F. Austin, herself a first lady of Alabama, was also from Elba; her uncle, Big Jim Folsom, was twice governor of Alabama.

A noon barbecue will be served at the National Guard Armory, and shuttle buses will be provided to transport folks there and back to the square. A tea is planned for 3:15 p.m. at the vocational building; and at 6:15 p.m. a dinner will be held at the Country Club for the Wallace Family, Mayor and Mrs. Sawyer and other officials.

Mrs. Wallace will be further recognized at halftime activities of the football game between Elba and Laverne on Friday night.

Mrs. Will Kendrick is program chairman for the Day.

Police Complete Special School

The Elba Police Department has just completed a week of night school, conducted again this year by Mr. T.O. Harris of the Alabama Department of Education in Montgomery. Thirteen regular, and auxiliary members were present when the above photo was made last Thursday evening.

Grimes Heads Quarterback Club Actions

The Elba Quarterback Club will meet Monday night, August 25, at 7:00, at Holley's Restaurant.

All interested persons are invited to attend.

The club met last Monday night and elected new officers. They are: Quarterback - James Grimes, Vice Pres. - Ronnie Sowards, Sec. - Treas. - Mack Westbrook.

Peanut Boilings Are Familiar Sight

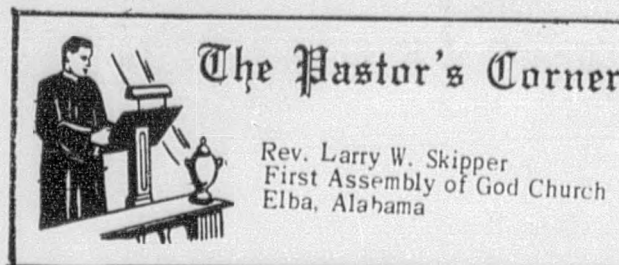

Peanut boilings are a familiar sight in South Alabama during this time of the year and these teenage boys were caught with their own private party one night last week. Before it was over each one has his fill of boiled peanuts. It was amusing to sample the peanuts - those boiled first "got ready" much sooner than the second and third boiler of "penders".

A recent Gallup poll showed that 47 per cent of American families had vegetable gardens in 1974.

Dickinson Talks To Farmer

Congressman Bill Dickinson was the guest of honor at a fried chicken supper at the New Brockton Farm Center on Tuesday night of this week. A group of area farmers were asked to attend the meeting and "break bread" with the congressman. After the meal the group asked several questions about past and pending decisions in Washington. Wednesday Dickinson was visiting in the Elba area during the afternoon.

Church News

The Pastor's Corner

Rev. Larry W. Skipper
First Assembly of God Church
Elba, Alabama

Acts 24:16 "And herein do I exercise myself, to have always a conscience void of offense toward God, and toward men."

We are shocked as we pick up the newspaper or some magazine, or as we watch television or listen to the radio and see the ruthless crimes that are committed and to see the filippancy with which criminals excuse their crimes, with seemingly little or no compunction of conscience.

We are even more shocked to see the carnal connivings and practices of professing Christians in our churches, and with hardly a prick of conscience. Many times this kind of conduct is unleashed by power hungry laymen against the ministry of the church or other laymen in the church, often to the embittering and less from the church and the children of those wronged.

There needs to be a re-sensitizing of our consciences, which can only come through much sincere prayer, study, and honest heart and a surrendering will. Else, one study practice of unbenevolent conduct will call for others until we grow calloused and ruthless in our relationships toward one another, and the

Crofts Become

Evangelistic Team

Rev. and Mrs. Colbert Croft have resigned as pastor and minister of the First Baptist Church of New Brocton. Feeling God's hand in the enlarged opportunities of evangelism, the Crofts resigned the New Brocton Church to become the Croft Evangelistic Team.

Rev. Croft is a native of Valdosta, Georgia, a graduate of Norman College and of Luther Rice Seminary. He has served for ten years as a pastor in Alabama and Georgia.

Mrs. Croft is the former Joyce Smith of Jasper, Fla. She was a music major at Stetson University, attended Norman College and is also a graduate of Luther Rice Seminary. Since an early age she has been active in church music. She has served as church organist, directed choirs, served as soloist, and has recruited many voices for the Lord in the churches they have served.

"The Crofts are a persuasive team as they use together many messages from the Word with related music," says Rev. Richard Crowe, Director of Missions for Coffee County. Rev. Croft is an effective preacher. As a pastor he was deeply sensitive to the needs of his people, and at the same time he

Homecoming

At New Haven

New Haven Baptist Church, located five miles south of Elba on the old river road, will hold its annual Homecoming services Sunday, August 24.

The pastor, Rev. J. J. Hattaway, will bring the morning message at 11:00 A.M. Dinner will be served at 12:00 noon.

The Perkins Family of Canton, Florida, will be the featured singers in the afternoon after lunch.

Missionaries Wood To Speak At Assembly

The Rev. R. Paul Wood, newly approved Assemblies of God missionary to Belgium, will be guest speaker Sunday, August 24, 1975, 9:45 A.M. at the First Assembly of God, West Simmons Street in Elba.

During their first term of missionary service, Dr. Wood and his wife, Dore, will be working at Continental Bible College in Brussels, Belgium. Dr. Wood will serve as a professor of Bible and Theology.

Dr. Wood received the B.A. degree from Southeastern Bible College in Lakeland, Fla., the Master of Divinity and the doctor of ministry degree from Texas Christian Uni-

versity in Fort Worth, Tex. Mrs. Wood received the B.A. degree from South-Eastern Bible College and the M.A.T. from Rollins College in Winter Park, Florida.

Prior to his missionary approval, Dr. Wood pastored churches in Florida and served on the staff of two churches in Texas. Since 1968, he has served as professor and is currently chairman of the Division of Philosophy, Bible and Theology at Southeastern Bible College in Lakeland. He was also chaplain for the U.S. Army Reserve for six years.

Dr. Wood will share his plans for future ministry at CBC in Brussels, Belgium, at this special missions rally. The public is invited to attend.

Nettie Makes Another Big Haul

Nettie Lindsey continues to keep up her reputation as she displays some of her latest catch.

Nettie says the big one is about 7 lb., the others 5 lb. and 3 lb. respectively, not including the beam on the string. She had other beam at home caught at the same time - late last Monday afternoon. She used wigglers for the beam, and a black worm with a red tail for the big fellows.

"They just keep biting at Lake Lorene," is the word Nettie passes along. She also painted a mental picture of a sumptuous meal, as she outlined the plans she had for her fish fry - the usual french fries, slaw, hush puppies, and of course, the delicious fried fish.

of mental and physical incapacity is a series of "little strokes."

A stroke occurs when the blood supply to a part of the brain is reduced or completely cut off. This can be caused by a blood clot, or by hemorrhage bleeding from an artery in the brain. When the nerve cells of a part of the brain are deprived of their blood supply, the part of the body controlled by these nerve centers cannot function normally.

Little strokes may start when a person is in the 30s or 40s, striking silently at night or passing almost unnoticed as a sudden dizzy spell, a momentary blackout, or just a few moments of confusion. The stroke is not severe enough to compel the patient to seek medical aid, but some permanent brain damage remains just the same.

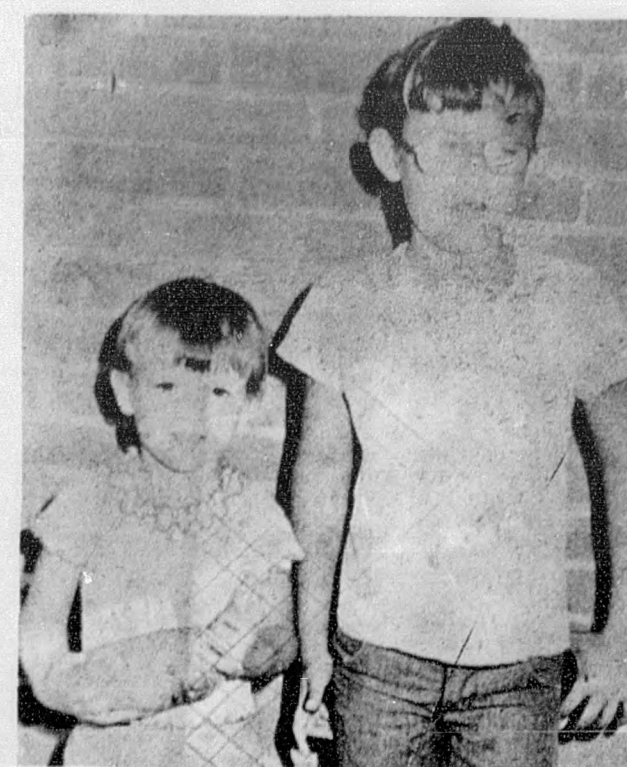

A formerly kind, gentle person may become highly impatient and irritable. His judgment is often impaired. A strong man may become weak and prone to tears. Suspiciousness is common. A person with a tendency to emotional instability, held in check heretofore by will power, may suddenly develop a psychosis. Some become sloppy in dress and befuddled in thought, while others lose a part of their moral sense. Sometimes the victim merely loses interest in his family and friends, and lives secretly, constantly hiding things that through forgetfulness he cannot find later.

When the symptoms are mild, as they often are, the person may get along fairly well. A sufferer from little strokes usually can get along better in slower-going farm and small town areas than in the faster living city.

The problem of small strokes is one of the most difficult facing medical science. The most hopeful research approach is that of finding ways to prevent stroke. Science seeks to learn more about how to recognize early symptoms so that treatment can be instituted promptly.

If there is a subject you would like discussed in this column, please write: TO ALABAMA'S GOOD HEALTH, Medical Association of the State of Alabama, 19 South Jackson Street, Montgomery, Alabama 36104.

Mrs. Legear Celebrates 70th Birthday

Mrs. Flossie Legear celebrated her 70th birthday recently, with a party given by the ladies of the Mullins Apts. where she lives.

Mrs. Legear is the mother of eight children, 33 grandchildren, and eight great grandchildren.

She has been living in the project for five years, having moved there from Opelika.

His grandparents are the late Mr. and Mrs. Jessie Taylor of Dadeville, Alabama, and the late Mr. and Mrs. Oscar King of Nottulsa, Alabama. The wedding will take place in the home of the bride's parents in September.

Kathryn Kelley To Wed Bob Kelley

The approaching marriage of Kathryn Kelley to Mr. Robert Kelley, son of Mr. and Mrs. Robert Kelley, is announced by her parents, Mr. and Mrs. William Kelley of New Brockton announce the engagement of their daughter, Kathryn.

Mr. and Mrs. William Kelley of New Brockton announce the engagement of their daughter, Kathryn.

He is a graduate of Elba High School, attending MacArthur State Technical Institute, and served in the U.S. Marine Corps. He is presently a fireman at Fort Rucker.

All friends and relatives of the couple are invited to attend the wedding at six p.m. August 27, at Bethany Baptist Church of New Brockton.

Couple United In Holy Matrimony

On July 11, at 7:30 p.m., the families of Rev. and Mrs. Paul D. Kendrick of Troy and Mr. and Mrs. Shirley L. Thomas, Sr. of Victoria with their friends witnessed the wedding of their children, Miss Lisa Sharon Kendrick and Shirley Lowell (Pete) Thomas, Jr., at the Calvary Baptist Church in Troy.

The double ring ceremony, performed by the bride's father who also escorted her to the altar, was set in a soft glow of yellow created by two candelabra holding nine yellow tapers each, two oil lamps burning scented yellow oil, a single yellow taper in each window of the church, nine lighted yellow bells hanging from yellow ribbons to and a lighted cross on a background of yellow crepe set in three cathedral arches edged ivy and magnolia leaves arranged in a fan fashion with puffs of yellow net placed behind the altar.

Pre-nuptial music was given by Mrs. Marsha Johnson soloist, and a 22 voice choir of young adults from the Calvary and Victoria Baptist churches directed by Mrs. Rhonda Flowers and accompanied by Mrs. Deane Willis, and Ronald Kendrick, brother of the bride, groom.

Mrs. Johnson sang "Whither Thou Goest" and "Wedding Prayer." The choir sang "O Perfect Love" and "Send Us, O Holy Spirit." The worship period was climaxed with a prayer in chimes, "Our Father in Heaven."

The bride's floor-length gown, created by her mother, was of crystal white crepe and styled to have a flowing skirt that continued into a short train. It was accented at the neck with an outline of sheer ruffles and a continuous row of seed pearls. The long sleeves were caught at the wrists with a tiny band of sheer ruffles and seed pearls and the midriff was covered with a pattern of lace daisies centered with pearls.

Her veil, fashioned by her mother, was of crystal white chiffon attached to an elevated crown of white. A double ruffle of miniature pleated chiffon dressed the crown and continued around the veil to form an edge of scallops.

Her cascading bouquet was fashioned of sweetheart roses, stephanotis, and pink carnations centered with a catalpa orchid and adorned with showers of satin ribbon, tulle, and stephanotis. The bouquet was carried on a white bible opened to the book of Ruth.

Miss Candice Kendrick served as her sister's maid of honor. She wore a floor-length gown of crystal white crepe fashioned similar to the bride's gown.

Mrs. Donna Kendrick, sister-in-law of the bride, and Mrs. Kathy Bragg, sister of the groom, served as bridesmaids. They wore identical floor-length gowns of crystal white crepe fashioned similar to the bride's gown.

The three attendants carried identical bouquets of yellow marigolds laid on the arm with bows and streamers of green and yellow ribbons attached near the hand.

Shirley Thomas served her son as best man. Usher-groomsmen were Russell Kendrick, brother of the bride, Dewain Thomas, brother of the groom, Britt Thomas and Wilson Mobley, cousins of the groom.

The groom's mother wore a floor-length gown of beige knit dressed at the V-neckline and the cuffs on long sleeves with a self-colored ruffle. She wore a white carnation corsage with multiple shades of brown ribbon.

The groom's mother wore a floor-length gown of pink knit styled in an A-neckline with a round neckline and cape sleeves. She wore a white carnation corsage with pink ribbon.

For traveling the couple was dressed in yellow suits and the bride wore the orchid corsage from her bridal bouquet.

TIGERS "INCONSISTENT"

With the 1975 football season only eight days away, Elba coach Paul Bass seems "anything but" enthused over the progress of his squad.

"We've just been inconsistent," said Bass in a recent interview. "We've looked good at times, but overall we're just not able to execute well with any consistency."

Offensively, Coach Bass seems pleased with the depth in the backfield, but is concerned over the lack of size in the line. "Of course we've got two experienced quarterbacks in Max Fuller and Russ Cash," remarked Bass, "but both have been inconsistent with their overall play. Their ballhandling must improve."

Mention running backs and Bass immediately thinks of Larry Phillips. Phillips is looking good, beamed Bass, "and his attitude is excellent. He should be ready to have a good season." Bass also praised the efforts of running backs Jimmy Marston and Johnny Dyess.

"With a little experience Marston should be a good runner," said Bass, "and Johnny Dyess has really worked hard, and he looks real good."

The Tigers' offensive line is perhaps the smallest ever at Elba. The biggest man weighs only 172 pounds, and the average weight of the line is only about 168 lbs.

"Our line is young," said Bass, "but they come out of the ball well, and are real quick. I just hope our quickness is enough to offset our weight disadvantage."

Coach Bass praised David Smith for his hard work at center, but said overall the line was "inconsistent."

Bass thinks Elba has "the best three receivers in the conference." In Stan Lewis, Teddy Barnes and Gavin Ellis, Lewis, a 74 All-SAC performer, should work from the wide-out post, while Ellis and Barnes will see action at tight-end. "Overall," said Bass, "the big question mark in our offense is our lack of size."

Defensively, the Tigers seem a little more sound. "Donnie Grimes has looked real good," praised Bass. "Donnie is hustling real well, and is probably the best leader we have on the field."

Coach Bass added that Teddy Barnes and David Smith have looked good at middle-guard (noseman), but the linebackers haven't looked too good. Bass again used the term "inconsistent," to describe his linebackers.

Coach Johns reported that the play of the defensive backs has been erratic, but blames it partly on the wet field.

In summing up the defense, Bass seemed fairly pleased with their progress.

When asked about the play of the younger boys, Bass said, "Jeff Scarborough, Mickey White, Lathan Tillis and Dwayne Morland have all looked good."

"When asked about opening for Florida, Bass answered, "They're big and tough." He feels that Florida will be as strong as any team the Tigers will face all year, and he claimed that "the Florida game will be our biggest game of the year."

The Tigers open against Florida on August 29, here at Tiger Stadium.

Tigers Boast 11 Seniors

The 1975 Elba Tigers will be led by 11 seniors, including six returning starters and one 1974 All-SAC performer. The quarter to anchor the Tigers' receiving corps includes Bill Brunson, Gavin Ellis, Teddy Barnes and Stan Lewis. Ellis, Barnes and Lewis were all starters in '74, while Lewis was named on the All-SAC team.

The line includes five seniors - Phil Farris, Donnie Grimes, Tim Boutwell, David Smith and Danny Haley. Haley was a starter in '74 while Smith started in '73 and '74.

Max Fuller returns as the Tigers' starting quarterback, while Bruce Donaldson is the lone senior running back.

These eleven seniors will provide the leadership in 1975, and will alternate as game captains.

The returning coaches are head coach Paul Bass, back coach Hinton Johns and junior football coach Mance Daughtry, while the new coach is Larry Nolen.

Bass, a graduate of Opp High School and Troy State University, came to Elba in 1972 as an assistant and became the head coach in 1973. In his two years as head coach, Bass' record is 8-12.

Motor Pool

Another big card of races was in store for the fans this past Saturday night at the Elba Motor Pool. Six cars entered the Spectator's race, six rookies and thirteen late-model sportsmans.

The first race of the evening was the "Helmer Dash" between the two fastest qualifiers. Bob Davidson driving his orange number two, had the inside pole with a time of 17.40. Junior Neidechen captured the second place in this race with a time of 17.61.

As the green flag fell, Davidson grabbed the lead and never let it go. Davidson pulled away for all five laps and an easy victory.

The second race of the evening was the slow heat race for the sportsman cars. Roy Wester had the pole with Mack Post on his right. Randy Bryant took the lead on the first lap and held it for all ten. Lap eight of this race had a lot of excitement because of a crash in the front stretch involving Mack Post and Bob Bean. Post cut up high on Bean which caused Bob to spin into the wall. Post then hit Bean causing him to spin into the infield hitting a light pole. Both cars caught on fire but neither sustained serious injury.

The next race was the Spectator heat race with six entries. Lathan Smith and Harold Spicer shared front row honors for this race. Smith got the lead off the green and stayed there for all ten laps. Harold Spicer finished second only one car length behind Dave Osborn placed third with Pop Cole in fourth.

The fourth race of the evening was the rookie heat race with James Johnson and Bobby Ford leading the pack. Ford grabbed the early lead and stayed there for all eight laps and the victory. Johnson got second place honors with J. B. Scott in third.

The next race of the evening was the Sportsman heat race for the faster qualifiers. Ron Poole had the inside pole with Nix Bruce on his right. As the race started, Poole held off all competition for the first four laps until Bob

Civil Defense Director Talks To Rotary

Guest speaker at the Elba Rotary Club Monday was Mr. Hooker Amos, Coffee County Civil Defense director. He spoke to the group on the aims

of the Civil Defense program, and showed a movie on natural disasters. In charge of the program was Mr. Jim Nichols, administrator of the Elba General Hospital.

CITIZEN BAND CLUB WILL MEET TONIGHT

The newly-organized Coffee County CB Club (citizen band) recently elected officers. Clifford Farmer will serve as president, Comer Ray Henderson, vice president, Margie Kelley, secretary, J. D. Kendrick, treasurer, Jake Russell, master at arms, and B. O. Smith, assistant master at arms.

Serving on the Board of Directors are H. C. Smith, William Leggett, Mary Jane Sizemore, and James Everhart. The club will meet Thursday night (tonight) at the city recreation center. The meeting is set for 7 p.m. and all members and others interested in the club are invited to attend.

Weldon Named To Elba Bands

Scott Weldon, a graduate of the University of Alabama, is the new assistant band director of the Elba bands. Scott taught band at Hawkinsville, Georgia, last year. He hails from Auburn, Alabama. He played trumpet in Alabama's Million Dollar Band. Scott is not married.

Ladies From "Gay Paree" Visit

Recent visitors to Elba include this group of ladies from France. The Damon ladies came to Elba with Mrs. Damon's sister-in-law, wife of J.D. (Buddy) Whitman of Mobile. They are from left: Patricia, age 9; Beatrice, age 18; Chantal, age 16; Madam Pierre Damon and Veronique, also 16 and twin sister to Chantal.

The family resides in Paris, France, and spent a full month in the United States. Two weeks of the visit were spent with Mr. and Mrs. Whitman and then the party flew to the West Coast where they spent another two weeks touring the country in a motor home with their husband and father, who joined

County Employees Get 8.33 % Pay Raise

A change in the pay time for county highway department employees will get all of them an 8.33 % increase in salary beginning about October 1st. The County Commissioners voted Monday to change from a twice monthly pay to every two weeks, with all employees receiving the same in the two week pay as presently being received in the twice monthly system used for many years. This will result in each employee getting two extra pay checks during a twelve month period.

Eugene Jacobs, who served as Active Engineer before the arrival of Bernard Richburg from the State Highway Department, was given a special raise of \$50 per pay period. He was singled out by the commissioners for his 28 years of service, after the new engineer had recommended both he and N.L. Harvison be given pay raises.

Three of the commissioners, Flournoy Whitman, Byrd Galloway and Albert Dyess, voted for giving Jacobs a raise while Hennie Beckham and O.V. Waters voted against the measure. Commissioner Don Smith was not present for the afternoon session of the meeting. Waters said he was not in favor of giving any raises unless every person was given a raise.

The vote on changing the pay method and giving the 8.33 % raise was passed unanimously.

Again the commissioners heard complaints about rural roads needing work. Several people appeared and asked for relief. Commissioner Flournoy Whitman complained to Richburg that roads in District Three (Elba, Kinston, areas) were in terrible shape. He said that historically before school started all the bad roads had been reworked and the hills sand. He said that this year none of this had been done and one road on a bus route had been closed for several weeks.

Richburg said he didn't know where the district lines were and was trying to do the work on a county-wide basis but he would look into the matter. Richburg also noted that pulling equipment off the roads to do work at

the commissioners voted to notify the Alabama Historical Society that Coffee County would be given a \$20,000 grant for repairs on the Elba Courthouse. It was a 50-50 matching grant. The reasons stated were that the county had agreed to maintain the building for thirty years if the grant was accepted.

Three persons were nominated to be appointed to the Board of Education. They are Marvin Carroll of Elba and Early Frank Henderson of Enterprise. These three names will be sent to Montgomery along with names from other governing bodies and three will be appointed to the Board. Coffee County has been without a Board of Education for a number of years, even though the law says all property tax measures will be reviewed by this board.

The commissioners voted to file in each school and in the office of the Coffee County Board of Education, Elba, Alabama, where it may be reviewed by any interested party.

A complete copy of the policy is on file in each school and in the office of the Coffee County Board of Education, Elba, Alabama, where it may be reviewed by any interested party.

Current plans call for the honoree to speak on the square shortly after arriving in Elba by air, then to unveil a sign reading "East Davis Street, Cornelia Wallace Drive," a tea at the school (again public invited), a special dinner for her relatives and city officials, and the football game.

Mayor Sam Sawyer is in charge of the day's events and is also a member of the committee taking donations to finance the activities. Mr. Prude Crook is acting as treasurer for the donated funds. Each facet of the day's activities has been assigned to a committee and with each committee reporting to Mayor Sawyer.

County Board Announces Free Lunch Program

Coffee County Board of Education has announced a free meal, free milk and reduced price meal policy for school children under the National School Lunch, School Breakfast and Special Milk Programs.

Local school officials have adopted the following family-size income criteria for use in determining eligibility: Family - Free Meals & - Reduced - Free Milk - reduced price meals

1 - \$0-3,230	- \$3,231-4,520
2 - 0-4,240	- 4,241-5,530
3 - 0-5,250	- 5,251-7,350
4 - 0-6,260	- 6,261-8,770
5 - 0-7,190	- 7,191-10,060
6 - 0-8,110	- 8,111-11,360
7 - 0-8,950	- 8,951-12,530
8 - 0-9,790	- 9,791-13,700
9 - 0-10,550	- 10,551-14,770
10 - 0-11,310	- 11,311-15,840
11 - 0-12,060	- 12,061-16,890
12 - 0-12,810	- 12,811-17,940

Each Additional Family Member: \$750 - \$3,050

Children from families whose income is at or below those shown are eligible for free meals, free milk and/or reduced-price meals. In addition, families not meeting this criteria but with other unusual expenses due to unusual medical expenses, shelter costs in excess of 10 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

They may do so by completing the application forms sent to each school by the parents. Additional copies are available at the principal's office in each school. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year.

It is certain cases foster children are also eligible for these benefits. If a family has such children living with them and wishes to apply for such meals for them, they should contact the school.

If a parent is dissatisfied with the ruling of the official, he or she may wish to discuss it in more detail with that official. If a parent wishes to review the ruling further, after discussing it with the school, he has a right to a fair hearing. This can be done by making a request either orally or in writing to Mr. J. H. Baker, Supt. of Education whose address is P.O. Drawer D, Elba, Alabama 36323. Hearing procedures are outlined in the policy.

A complete copy of the policy is on file in each school and in the office of the Coffee County Board of Education, Elba, Alabama, where it may be reviewed by any interested party.

ASC Group Attends Biloxi Meeting

This picture shows the Coffee County delegation to the Regional meeting of the National Association of Soil and Water Conservation District Supervisors in Biloxi, Mississippi. Those attending were: Mr. and Mrs. Robert English and son-Damascus; Mr. and Mrs. Martin Montecounty Line; Mr. and Mrs. Charles Mallory-Kinston; and Mr. and Mrs. Bill Hughes, District Conservationist, Soil Conservation Service.

Mrs. Jacobs Honored At Rucker

Mrs. Carrie S. Jacobs of Elba, Ala., is the Civil Service Employee of the Year at Ft. Rucker.

A management analyst for the Directorate of Facilities Engineering, Mrs. Jacobs is the first woman to receive the employee-of-the-year

title in the 10 years it has been awarded at the Army Aviation Center.

"I am very honored to have been selected. I don't know why I was, really, but the main thing this means to me is the responsibility as a representative of the women employees on post. And that is a duty she does not take lightly, since she is Rucker's coordinator for the Federal Women's Program."

"Perhaps my selection will prove that we as women can get recognition if we are willing to work for it," Mrs. Jacobs stated.

She started the work that has led to her present honor in 1954 when she entered Federal service at Ft. Rucker. She was with the Transportation Section for two years, with Post Engineers (now DFE) for 10 years, with the "controller's" Office for eight years, and she has been on her present job since July 1974.

Mrs. Jacobs strengthened her qualifications by attending college at night for four years. She received her Bachelor of Science Degree from the post branch of Troy State University in 1971, which is no mean feat for a full-time employee and the mother of 7 children. The nomination submitted on her part for the year states, "Mrs. Jacobs is outstanding as a management analyst and is one of the most knowledgeable people at this installation concerning the Defense Integrated Management Engineering System. Due to her applied knowledge and years of experience, she is able to recognize areas where improvement and manpower utilization are needed. She recommends solutions and outlines implementing procedures."

In addition to her professional ability, Mrs. Jacobs was recognized for her personal attributes of integrity and dedication.

Those are represented by her work in the First Battalion of the Elba where she has been active in some phase of Christian education for 30 years. She now teaches a women's Bible class on Sunday mornings and works with young children in the church's evening training program.

Mrs. Jacobs is a member of the Business and Professional Women's Club and the Pilot Club of Elba.

It has been presented as a part of the post Incentive Awards Program. Mrs. Jacobs was selected from a field of nine candidates. She has worked at Rucker since 1954 (U.S. Army Photo).

F.W. Wood Named To Get National Honor

F.W. Wood, vocational agriculture instructor at Elba High School, has been nominated to receive the FFA's Honorary American Farmer Degree. Wood was nominated for the degree by the Alabama FFA Association and the nomination was approved by the National FFA Board of Directors which recently met in Alexandria, Virginia. The Honorary American Farmer Degree is the highest honorary degree presented by the FFA. This year 92 teachers of vocational agriculture have been nominated to receive the degree during the National FFA Convention in Kansas City, Missouri. Wood has been a vocational agriculture teacher at Kinston for 22 years. During that time he had four students who earned the American Farmer Degree, 65 students who received the State Farmer Degree.

Each year at least 50 of the 11,500 teachers of vocational agriculture in the nation are awarded the Honorary American Farmer Degree. The degree is awarded on the basis of points scored by a teacher for his accomplishments as a vocational agriculture instructor, FFA Advisor, and as a participant in professional vocational agriculture teachers' organizations.

Teachers are awarded points for each student they supervised in earning state and national FFA awards. Teachers also receive points for serving as officers and
